“We are the best at one thing; bringing unique tech products, mobile phone accessories and cool gadgets to the corporate gift and retail market”

We are: BrandCharger

A MULTI AWARD WINNING COMPANY

We are the best at one thing - bringing you unique tech products, mobile phone accessories and cool gadgets for the corporate gift market. Our recipe for that is a proper understanding of branding and functionality mixed with design skills.

Started in Hong Kong & The Netherlands in 2011.

- 4 By winning 19 Industry awards and being nominated many times around the globe in just 7 years we have proven to be a serious player in the Corporate Gift Industry.

Right now we are the leading supplier in tech gadgets for the Corporate Gift Industry with distributors in over 100 countries worldwide. Apart from Shenzhen, we have offices in Hong Kong, The Netherlands, and USA.

“To make truly great products, we feel it is crucial to build them in ways that are ethical and environmentally responsible”

Quality & Safety First

As an industry leading tech company, we bring safe, high quality products to consumers at a rate of over 1.5 million units a year. We are committed to making sure all of the thousands of products per week we produce meet the highest standards for safety and quality.

BrandCharger is among the first to achieve 'Product Safety Aware' status in the Promotional Products Association International (PPAI, UNITED STATES) Product Safety Awareness Program.

“All BrandCharger products are equipped with every safety feature available. Products have never been safer before!”

Awards

By winning 19 Industry awards and being nominated many times around the globe in just 7 years we have proven to be a serious player in the Corporate Gift Industry.

Every award inspires us to be even more eager to stay ahead and bring our industry beautiful products.

Just a push in and it pops open to reveal the premium kit. The bits are held in place by the magnetic base of the storage box

Styllo

The mightiest pen you can wish for. Styllo allows users to transition seamlessly from digital to analog. An easy twist transform your Styllo from a smooth rollerball pen tip for writing on paper into a capacitive mesh stylus tip for touchscreen use or a precision disk stylus for creative professionals.

The solid aluminum body is built for portability with a professional appeal.

42 Styllo works on all touchscreen devices and is always ready to go. No batteries required.

Size: 155 x 9 mm Logo Size: 45 x 5 mm

Captive mesh stylus

The durable mesh tip provides a smudge-free writing and drawing experience that will last and last. With no connection or batteries required, Mark is ready to go right out of the box.

Precision disk stylus

The precision disc not only creates a precise contact point with the screen to write exactly where you place it, but also has been engineered into one piece for added stability for the creative professionals.

Smooth rollerball pen

Simple and practical, Styllo's rollerball pen offer a convenience for daily use. The refillable, long life rollerball pen provides you a writing experience with reassurance, fairness and robustness.

The rubber base keeps Qube from sliding

Aluminium Unibody
Aluminium unibody design and ultra fine satin finish

Alumina

Alumina is constructed from a single sheet of aircraft-grade aluminum, stamped flat and smoothed for an unhindered glide. At the same time, the molecular rebonding from the machining process creates a highly rigid structure for maximum durability. It is then sand-blasted for a texture that further aids tracking precision and provides a great feel under your hand as you swipe.

Product size: 22 x 18 cm
Logo customization: laser engraving

How to brand?

Your logo engraved on aluminium surface with high precision laser.

Envelop packaging

Minimalistic envelop design using black craft carton and specs printed in silver.

Optimized Tracking Surface

Alumina's entire surface has a lab-developed microscopic texture that delivers the most consistently accurate sensor readings.

Protective Chamfer Design

Ultra-thin material with smooth chamfer triple polished edge for superior feel and style complementing your computer, laptop and desk.

Diamond shape rubber base

Alumina's diamond pattern rubberised base provides a firm grip, ensuring the mouse pad stays securely in place and protecting your desktop from scratches.

LYNQ

6 functions in 1 sleek all-in-one desktop hub.

It is time to get organized. We all use bluetooth speakers, make conference calls and need to charge multiple USB powered devices on daily basis.

What better than having one device that can do it all? LYNQ is the solution that offers just that by integrating a great sound experience, a comfortable call unit, a pen holder and 4 high speed USB ports in one smart device. And if that is not enough, the advanced Qi wireless charging technology is built-in!

Size: 145 x 145 x 85 mm

CE FC RoHS

1. Bluetooth stereo speaker & speaker-phone function

2 x 3.5W speaker with volume controls.
A built-in microphone for hands-free calls and noise-cancelling technology.

2. Qi wireless charging + phone holder

Don't struggle with a mess of wires to charge your phone. Place your Qi wireless compatible device on LYNQ and watch it charge.

3. 4 port USB Hub

With 4.8A capacity and USB-C compatibility providing a plethora of connections to laptops or desktops through just one port, allowing easy charging and data transfers.

4. Pen/stylus holder

whether you do a lot of sketching, writing or just make a lot of notes, we think your favorite styluses, pencils and pens deserve a place on the LYNQ - exactly 3 places

5. Volume & Music controls

Located conveniently on the top of LYNQ are buttons that let you control the volume of your audio and pair with any Bluetooth enabled device.

6. Cable organizer

Most people have several devices using cables on their desk. LYNQ has cable grooves located under the device to organize your cables.

Rise

Rise, when design matters. Rise comes in an elegant, smart, high grade aluminium finish and its design makes it a beautiful addition to any home or office. The multi-angle design helps you take calls, stream or browse without ever having to move your phone. Built with high grade aluminium, ABS plastic and non-sliding rubberised pad, this dock is closer to eye level than other docks and offers a more comfortable user experience.

Trident

Trident+

6 x stronger
 The ultra-strong reinforced structure gives Trident unparalleled strength and durability. Its 12,000+ bend lifespan makes it 6 x stronger than standard charging cables

One for all
 USB-A to Micro/Lightning/Type-C. With Trident you keep all your Apple/Android devices charged.

Stylish design

The aluminium base and reinforced nylon braided jacket give Trident its sophisticated look and feel.

NEW

MOUNTY

MOUNTY is the an air-vent mount engineered of precision cut aluminium. It holds and grips practically any device and uses the weight of your smartphone to offer a secure grip.

Its premium and elegant design makes it blend in with any car interior in style.

Simple to install, it just rests in one of your car's AC vents. It is strong, stable, adjustable and it works with phones of all sizes and shapes.

Product dimensions: 95 x 90 x 60 mm Print Area: Ø 50 mm
