

The logo for EXCURSION features the word "EXCURSION" in a bold, white, sans-serif font. The letter "X" is stylized with two blue diagonal bars crossing at its center. Below the main text, the tagline "TOGETHER FURTHER" is written in a smaller, white, all-caps sans-serif font. The entire logo is set against a black rectangular background.

**EXCURSION**  
TOGETHER FURTHER

The year "2019" is displayed in a large, white, 3D-style font with a slight shadow. The numbers are positioned in the center of the page, overlaid on a background of abstract, colorful, flowing shapes in shades of pink, red, and blue. The background also features several overlapping, semi-transparent geometric shapes, including triangles and diamonds, creating a dynamic and modern aesthetic.

## SUITABLE PRINTING TECHNOLOGIES FOR MUGS:

### 1. DIRECT PRINT WITHOUT FIRING

The technology is suitable for one-colour logos in exact Pantone colour. Direct print is more economic than transfer print. This technology does not allow register print.

### 2. TRANSFER PRINT WITH FIRING

Logos can be printed in multiple colours and all round. Moreover, it allows printing inside the mug, on the bottom and on the handle.

### 3. SUBLIMATION PRINT

Sublimation is a digital technology applicable to mugs with special surface finishing. It allows printing with high definition in photo quality. Sublimation applies to selected mugs on pages 205, 206 and 223.

### 4. HYDROGLAZE

Hydroglaze allows mugs to be coloured in any Pantone colour with organic colour sprayed on the mug. Hydroglaze can be made in matt or glossy finish. The mug can further be branded. Hydroglaze applies to mug PANTHONY OWN on page 217.

Printing sizes in mm.
