collection

***Welcome to Aperçu,
your destination for exquisite home decor,
art furniture and thoughtful gifts.***

Our locally handcrafted pieces combine artistry and functionality to elevate your living space and celebrate special moments.

Discover a curated collection of sculptural masterpieces and intricately designed collectibles.

At the core of each collection lies a commitment to originality in design and mastery in craftsmanship. Our boundless designs are conveyed to skilled local artisans who bring each and every piece to life with their expertise and dedication. With an in-house workshop, we maintain control over the production process, ensuring quality control and consistency to deliver premium products, just as promised.

Immerse yourself in an Artful getaway.

Aperçu

Aperçu \a-per-sü\ : an insight, an immediate impression or a brief sketch.

Aperçu is a design studio based in Amman, founded in 2016 by the design duo Farah Kayyal & Tarek Hreish. At Aperçu, we create locally handcrafted artwork that resonates with our modern living. The beauty behind the work is that no two pieces can ever look alike. Personalization and uniqueness at its finest!

Originality in design and mastery in craftsmanship are at the heart of every collection. Our limitless designs are carefully designed and developed and are then conveyed to experienced local craftsmen who develop each and every item with devotion. All art pieces are produced at our in-house workshop ensuring consistency, in order to always deliver premium products, just as promised.

FARAH KAYYAL

Graduated from the American University of Beirut with a Bachelor degree in Architecture. He worked on several high-end retail and residential projects at leading design firms in Beirut, Germany and his hometown Amman. In 2016 Farah gradually started gaining interest in furniture design. His appreciation of raw materials and the concept of timeless furniture become a signature on many of Aperçu's collections.

TAREK HREISH

Holds a Bachelor Degree in Architecture and a minor in Engineering Management from the American University of Beirut. He received local and regional first prize awards during his academic years and after, in recognition to his efforts and creativity. Tarek started his career as an Architect at one of the leading Architecture firms worldwide, before endeavoring in his own design practice.
